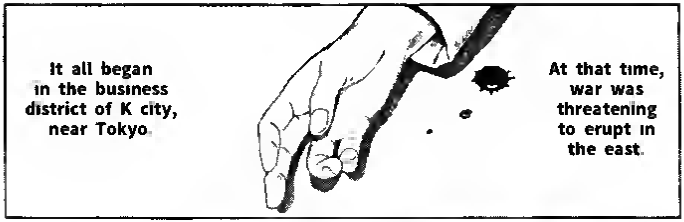
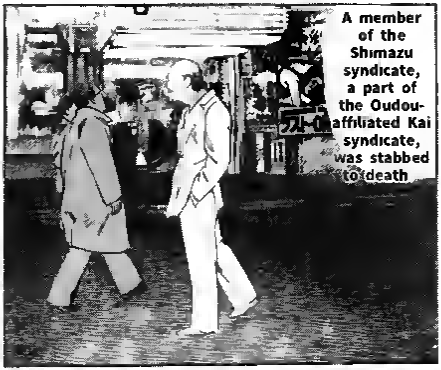
I CAME TO YOU, JUST LIKE YOU ASKED, RYUU!

I'LL HEAR YOU OUT THEN
FINE



It all began in the business district of K city, near Tokyo.
At that time, war was threatening to erupt in the east.

The victim was S, a Shimazu official



A member of the Shimazu syndicate, a part of the Oudou-affiliated Kai syndicate, was stabbed to death

It is the most widespread crime syndicate in eastern Japan.
The Oudou group boasts of having forces throughout the entire Kanto area.

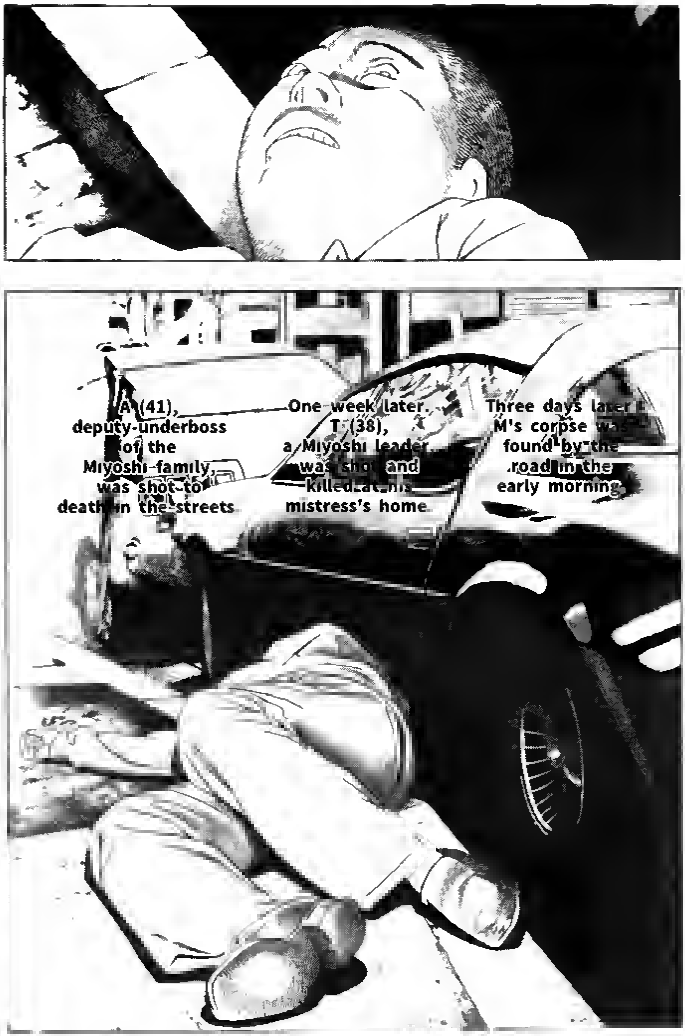
It goes without saying, that the Oudou Group immediately enacted retaliatory measures against the Miyoshi family
M was taking revenge on S, as he had been harassed at a bar by S the previous night.
The assailant was M (27) from the Miyoshi Family, a rival of the Oudou Association.



A (41), deputy underboss of the Miyoshi family, was shot to death in the streets.
One week later, T (38), a Miyoshi leader, was shot and killed at his mistress's home.
Three days later, M's corpse was found by the road in the early morning.
